RE: City of Piperton Request of Waiver from MS4 Program

Dear Mr. Janjic,

Thank you for notifying me of the City of Piperton's possible inclusion in the EPA Phase 2 Municipal Separate Storm Sewer System Program (MS4). However, since the division has determined that Piperton's population is considerably below 10,000 and that there are no area receiving streams documented as impaired by pollutants introduced by MS4s, Piperton meets the criteria qualifying the city for a waiver of coverage. Therefore, the City of Piperton requests a waiver from coverage under the MS4 program.

Sincerely,

Bob Conrad, P.E.
City Engineer
